

# TOP 100 VALUES OF THE YEAR

**Wine & Spirits**  
MAGAZINE

## ROUND HILL 2012 CHARDONNAY

Each year W&S tastes roughly 13,000 different bottles of wine and every June issue their editorial staff creates a list of all the wines recommended \$15 and under.

The list is cut and trimmed down to show only 100 wines they feel embody the perfect value wine – quality and drinkability for under \$15.

Round Hill 2012 Chardonnay is among the Top 100 wines. The entire list will be featured in the Tastings Section of the June issue and show the wine's original W&S review.
