

LANDER·JENKINS

VINEYARDS

The 2009 vintage of Lander-Jenkins *Spirit Hawk* Chardonnay highlights the best of our California vineyards with a blend of grapes from Lodi, Trinity and Napa Valley. A rich and balanced wine with characteristics of ripe, delicious stone fruits and crisp acidity. Cooler vineyard sites give us a Chardonnay with bright fruit flavors, while warmer sites give rich, ripe tropical flavors.

Wine Description: Aromas of apricot, peach cobbler and ruby red grapefruit. Flavors of apricots, baked peaches and citrus. Creamy mouthfeel with a long finish.

Blend: 95% Chardonnay
5% Muscat Canelli

TA/pH: 0.62/3.40

Alcohol: 13.5%

The Jenkins family arrived in Lander County, Nevada in the 1880s, from Wales and eventually established agricultural roots in California. Today, their grandchildren and great grandchildren are passionately committed to ecologically sustainable winegrowing.

"Years ago, while inspecting a newly planted vineyard, a hawk appeared overhead. It wasn't a rare or unusual occurrence, but it made a particularly strong impression on me... this vineyard was his as well as ours. These are the insights that keep us committed to employing the most environmentally beneficial practices. And the land rewards us with the highest quality, most flavorful fruit for our wines."

Steve Rued, Winemaker

100% SUSTAINABLY GROWN

*Good for the land.
Good for the grapes.
Good for the wine.*
