

ROUND HILL

2008
CALIFORNIA
CABERNET SAUVIGNON

Winemaker's Notes:

A bright, young Cabernet Sauvignon with traditional varietal characteristics. It is fruit-forward with good balance, rich texture and a clean, lingering finish. These qualities come from grapes sourced from choice California vineyard sites with warm days, cool breezes and choice soils. The 2008 harvest stretched from late August until nearly November - a long growing season giving our wine ripe, fruity flavors and balanced acidity.

Wine Description:

Our winemakers use a blend of red varieties with our Cabernet Sauvignon for greater structure and complexity. This wine is perfect for everyday drinking with aromas of fruit and spice: currant, cherry, vanilla and subtle hints of dried herbs. Flavors of cherry, cranberry and rich, earthy notes. Rich tannins and just a hint of oak for roundness and complexity.
